Alain

Alain of Felis Noetica

ID: FS01-Go2-M003

Date of Birth: 14 July 2026

Dam: Sibyla (G1, O/o S/s)

Sex: Male (♂)

Coat: Red (ginger) (O/Y)

Sire: Sokrates (G1, O/Y s/s)

Prof. Alain Aspect, of the Académie française

Named in honour of Prof. Alain Aspect, French physicist and Nobel laureate in Physics (2022), for experiments with entangled photons establishing the violation of Bell inequalities — settling by measurement what Einstein could only doubt — and for pioneering quantum information science.

Given at Brno, 20 July 2026

A handwritten signature in black ink, appearing to read 'V. Lošťák'.

Viktor Lošťák

Breeder / Felis Noetica
