

Felis Noetica

INTELLIGENTIA ET CONCORDIA

Cattery of European Shorthair Cats (FIFe reg. no. 7944)

Certificate of Honorary Godparenthood

Patrinus honorarius

This officially certifies the origin, name, and honorary godparenthood of
Alain

Alain of Felis Noetica

ID: FS01-G02-M003

Sex: Male (♂)

Date of Birth: 14 July 2026

Coat: Red (ginger) (O/Y)

Dam: Sibyla (G1, O/o S/s)

Sire: Sokrates (G1, O/Y s/s)

Meaning & Dedication: Prof. Alain Aspect, of the Académie française

Named in honour of Prof. Alain Aspect, French physicist and Nobel laureate in Physics (2022), for experiments with entangled photons establishing the violation of Bell inequalities — settling by measurement what Einstein could only doubt — and for pioneering quantum information science.

Given at Brno, 20 July 2026

Viktor Lošťák

Breeder / Felis Noetica
